TERMS AND CONDITIONS

This Non-Profit Merchant Agreement ("Agreement") is a contract between you ("Non-Profit") and Stewardship Technology, Inc. and applies to your use of the Merchant Services and any related products and services available through Stewardship Technology or its value-added partners (collectively the "Service"). You must accept the terms and conditions contained in this Agreement which includes those terms and conditions expressly set out below, before you may use the Services. By accepting this Agreement, you also agree that your use of the Services will be governed by the terms and conditions posted on the Stewardship Technology website.

We may amend this Agreement at any time by posting the amended terms on our site. Except as stated below, all amended terms shall be effective 30 days after they are initially posted on our site. You may review the current Agreement prior to initiating a transaction at any time at our User Agreement page. In this Agreement, "you" or "your" means any person or entity using the Service ("Users"). Unless otherwise stated, "Services," "we" or "our" will refer collectively to Stewardship Technology, Inc. A Destination Account is defined as the bank or credit card account to which funds will be credited to. This can be either the Non-Profit owned Settlement Bank Account or the bank or credit card account owned by either the donor or payer.

This Agreement was last modified on December 1, 2015.

1. Eligibility.

1.1 Eligibility. In order to use the Service, you must register for a Non-Profit Merchant Account. An organization may hold more than one Non-Profit Merchant Account. Without limiting the foregoing, our Service is not available to minors (under 18), persons who are suspended from our Service, or to persons who present an unacceptable level of credit risk. Organizations must be incorporated in the United States, be in good standing in the state in which they are incorporated, be declared a non-profit by the IRS, and meet the eligibility requirements set forth by Federal and State regulations.

1.2 Loss of Eligibility. If the organization for which an Account has been established is legally dissolved, becomes inactive, is not in good standing in the state in which it is incorporated, or loses its Non-Profit status, the Account will be terminated in accordance to the terms of this Agreement.

2. The Legal Relationship between You and Stewardship Technology.

2.1 Agency Relationship. Stewardship Technology acts as a facilitator to help you accept donations and/or payments from and make donation and/or payments to third parties. We act as your agent based upon your direction and your requests to use our Services that require us to perform tasks on your behalf. Stewardship Technology will at all times hold your funds separate from its corporate funds, will not use your funds for its operating expenses or any other corporate purposes, and will not voluntarily make funds available to its creditors in the event of bankruptcy or for any other purpose. You acknowledge that (i) Stewardship Technology is not a bank and the Service is a donation and payment processing service rather than a banking service, and (ii) Stewardship Technology is not acting as a trustee, fiduciary or escrow with respect to your funds, but is acting only as an agent and custodian. You agree that you will not receive interest or other earnings on the funds that Stewardship Technology handles as your agent. Stewardship Technology may receive interest on those funds and/or a reduction in fees or expenses charged for banking services by the banks that hold your funds.

By electing to send and/or receive donation or payments through the Service, you appoint Stewardship Technology as your agent to obtain the funds on your behalf and to transfer the funds to the Settlement Bank Account that you designate, subject to the terms and restrictions of this Agreement. Stewardship Technology will initiate transactions per the instructions of the account owner by debiting or crediting a bank or credit card account of the account owner. You remain the owner of those funds while said funds are in the custody of Stewardship Technology. We hold funds as your agent until the funds are transferred to the Destination Account at the end of the holding period or you initiate a cancellation of the transaction during the holding period. After those funds are transferred to the destination account, all requests for refund or reversals must be made directly to the Non-Profit. You agree to comply with all reasonable requests for refund made by the donor/payer.

By receiving funds through the Service, you appoint Stewardship Technology as your agent to cause the funds to be deposited on your behalf in the Pooled Accounts until the completion of the banking business day hold period. Upon completion of the hold period you appoint Stewardship Technology as your agent to

cause the funds to be credited to the defined Destination Account.

2.2 Identity Authentication. We use many techniques to verify your identity. You authorize Stewardship Technology, directly or through third parties, to make any inquiries we consider necessary to validate any and all information contained in this Agreement. This may include ordering a credit report and performing other credit checks or verifying the information you provide against third party databases. However, because user verification on the Internet is difficult, Stewardship Technology cannot and does not guarantee any individual's identity.

2.3 Release. In the event that you have a dispute with one or more Donors or Payers, you release Stewardship Technology (and our officers, directors, agents, subsidiaries, joint ventures, resellers, value added resellers and employees) from any and all claims, demands and damages (actual and consequential) of every kind and nature arising out of or in any way connected with such disputes. If you are a California resident, you waive California Civil Code §1542, which says: "A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if not known by him must have materially affected his settlement with the debtor."

2.4 No Warranty. WE, OUR EMPLOYEES AND OUR SUPPLIERS PROVIDE OUR SERVICES "AS IS" AND WITHOUT ANY WARRANTY OR CONDITION, EXPRESS, IMPLIED OR STATUTORY. WE, OUR EMPLOYEES AND OUR SUPPLIERS SPECIFICALLY DISCLAIM ANY IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. Stewardship Technology shall make reasonable efforts to ensure that requests for electronic debits and credits involving bank accounts, credit cards, and check issuances are processed in a timely manner but we make no representations or warranties regarding the amount of time needed to complete processing because our Service is largely dependent upon many factors outside of our control, such as delays in the banking system. Some states do not allow the disclaimer of implied warranties, so the foregoing disclaimer may not apply to you. This warranty gives you specific legal rights and you may also have other legal rights that vary from state to state.

2.5 Limitation of Liability. IN NO EVENT SHALL WE, OUR EMPLOYEES OR OUR SUPPLIERS BE LIABLE FOR LOST PROFITS OR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH OUR WEB SITE, OUR SERVICE, VALUE ADDED RESELLERS, OUR APPLICATION PROGRAMMING INTERFACE (API), OR THIS AGREEMENT (HOWEVER ARISING, INCLUDING NEGLIGENCE). Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. OUR LIABILITY, AND THE LIABILITY OF EMPLOYEES AND SUPPLIERS, TO YOU OR ANY THIRD PARTIES IN ANY CIRCUMSTANCE IS LIMITED TO THE ACTUAL AMOUNT OF DIRECT DAMAGES.

2.6 Indemnification. You agree to indemnify and hold Stewardship Technology, affiliates, officers, directors and employees, resellers, and value-added resellers harmless from any claim or demand (including attorneys' fees) made or incurred by any third party due to or arising out of your breach of this Agreement or the documents it incorporates by reference, or your violation of any law or the rights of a third party relating to your use of the Service.

2.7 Liability for Violations of the Acceptable Use Policy. If you engage in the prohibited behavior as defined in sections 4.10 and 5.2. or violate the Acceptable Use Policy, Stewardship Technology will terminate your account.

You and Stewardship Technology agree that the damages that Stewardship Technology may sustain as a result of the behavior outlined above will be substantial, including (without limitation) fines and other related expenses from its payment processors and service providers, but may be extremely difficult and impracticable to ascertain. In the event that you engage in such activities, Stewardship Technology may take legal action against you to recover losses.

You further understand that, if you use the Service in a manner that violates this Agreement or the Acceptable Use Policy, Stewardship Technology may incur substantial liability and/or suffer significant damages, including (without limitation) fines and other related expenses from its payment processors and service providers. By selling goods or services (including access to content) in contravention of the Acceptable Use Policy or the Restricted Activities, you acknowledge liability to Stewardship Technology for any and all damages suffered by Stewardship Technology. Without limiting the foregoing, you agree to reimburse Stewardship Technology for any and all costs, expenses, and fines levied on Stewardship Technology by its

payment processors and/or service providers as a result of your activities.

You agree that, if either you or Stewardship Technology commences litigation or arbitration in connection with this section, the prevailing party is entitled to recover reasonable attorneys' fees and any other costs incurred in such proceeding in addition to any other relief to which the prevailing party may be entitled.

3. Fees. All fees are set forth in the Fee Schedule (see Exhibit A) supplied to the Non-Profit. All fees will be assessed in U.S. dollars. To be eligible for an account, you must be legally permitted to enter into this agreement and hold a valid United States bank account.

4. Receiving Donations or Payment.

4.1 ACH and Credit Card Funded Payments. The only accounts that can receive Automated Clearing House (ACH) and credit card funded donations or payments are Non-Profit accounts. **By accepting an ACH or credit card donation or payment, you agree that you are responsible for the payment if it is reversed.** If such reversal occurs on an ACH or credit card funded donation or payment made to your account during the hold period, we will cancel the transfer of the funds to your settlement account. If such reversal occurs on an ACH or credit card funded payment or donation made after the transfer of the funds to your settlement account, we will reverse the transfer and debit your settlement account to pay for the reversal of the transaction. If there are insufficient funds in your settlement account, you agree to reimburse Stewardship Technology through other means.

4.2 Removal of Expired Cards. We may notify your Donors/Payers in the event that their credit cards will soon or has expired. Any scheduled donations or payments shall be canceled in the event that a credit card expires or is deleted from our Service.

4.3 ACH Reversals and Credit Card Charge Backs. Initiating an ACH Reversal or a Credit Card Charge Back may result in the inactivation of that bank account or credit card. A Charge Back or Return Fee shall be debited from the Non-Profits bank account as a result of an ACH Reversal or a Credit Card Charge Back.

4.4 Returned Entries Stewardship Technology will apply returned Entries to your account when they are received. All returns will be processed and available through the Web software or by other means as agreed to by the Stewardship Technology and the Non-Profit. A Return Fee shall be debited from the Non-Profits bank account as a result of an ACH Return.

4.5 Refused Payments. When a donation or a payment is sent to a Non-Profit through our Service, if the funds are not accepted or we are unable to complete the transfer to the Non-Profit within 30 days after the donation or payment was sent, then the funds will be returned to the sender via a credit to the account used to make the original donation or payment. If we are unable to credit the original account a check will be issued and sent to the address on record.

4.6 Obtaining Authorizations.

(a) Paper Authorization Form Entries: You will obtain a signature authorization from a Customer/Accountholder prior to asking us to process an Entry.

(b) Return Item Entries: You will obtain a signature authorization prior to asking us to charge the Customer the state's allowable fee for NSF checks.

You grant to us or our designee the right to audit these authorizations and your record retention compliance, at your expense. You shall retain Paper Authorization Forms for seven years from the date of the transaction. At the request of Stewardship Technology, you shall provide such information to Stewardship Technology within five (5) days of receipt of a request. Failure to meet such time frame or non-delivery of any item or delivery of an illegible copy of an item requested by an Issuer shall constitute a waiver by the Non-Profit of any claims and may result in an irrevocable Returns or Chargeback for the full amount of the Transaction.

4.7 Representations. You understand that Stewardship Technology may reject Entries for any reason permitted or required in the Rules and Regulation. You also understand that an Entry may be rejected by Stewardship Technology or its origination may be delayed if the Entry would cause Stewardship Technology to knowingly violate any Federal Reserve or other regulatory risk control program or any law or regulation. At your request, Stewardship Technology will make reasonable efforts to reverse or delete an Entry, but Stewardship Technology will have no responsibility for the failure of Stewardship Technology or any other person or entity to comply with your request. 13. Notices

13.1 Electronic Communications. You agree that this Agreement constitutes "a writing signed by You" under any applicable law or regulation. To the fullest extent permitted by applicable law, this Agreement and any other agreements,

notices or other communications regarding your account and/or your use of the Service ("Communications"), may be provided to you electronically and you agree to receive all Communications from Stewardship Technology in electronic form. Electronic Communications may be posted on the pages within the website and/or delivered to your e-mail address. You may print a copy of any Communications and retain it for your records. All Communications in either electronic or paper format will be considered to be in "writing," and to have been received no later than five (5) business days after posting or dissemination, whether or not you have received or retrieved the Communication. Stewardship Technology reserves the right but assumes no obligation to provide Communications in paper format.

13.2 Credit Report. You agree that Stewardship Technology may order and review your credit report with the sole purpose of assessing your fitness to hold an account and/or your ability to use the Service or features thereof.

13.3 Procedure. Except as explicitly stated otherwise, any notices shall be given by postal mail to Stewardship Technology, Inc, P.O. Box 987, Mount Vernon, OH 43050 or to our online message center or the email address you provide to Stewardship Technology during the registration process (in your case). Notice shall be deemed given 24 hours after posted or email is sent, unless the sending party is aware that the electronic communication was not received. Alternatively, we may give you notice by mail to the address provided to Stewardship Technology during the registration process. In such case, notice shall be deemed given 3 days after the date of mailing.

14. Legal Disputes. In the event a dispute arises between you and Stewardship Technology, our goal is to provide you with a neutral and cost-effective means of resolving the dispute quickly. Accordingly, you and Stewardship Technology agree that any controversy or claim at law or equity that arises out of this Agreement or Stewardship Technologies services ("Claims") shall be resolved in accordance with one of the subsections below, or as otherwise mutually agreed upon in writing by the parties. Before resorting to these alternatives, Stewardship Technology strongly encourages users first to contact Stewardship Technology directly to seek a resolution. Stewardship Technology will consider reasonable requests to resolve the dispute through alternative dispute resolution procedures, such as mediation, as an alternative to litigation.

14.1 Arbitration. For any Claim (excluding Claims for injunctive or other equitable relief) where the total amount of the award sought is less than \$10,000.00 USD, you or Stewardship Technology may elect to resolve the dispute through binding arbitration conducted by telephone, on-line, and/or based solely upon written submissions where no in-person appearance is required. In such cases, the arbitration shall be administered by the American Arbitration Association or JAMS, in accordance with their applicable rules, or any other established ADR provider mutually agreed upon by the parties. Any judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

14.2 Court. Alternatively, any Claim may be adjudicated by a court of competent jurisdiction located in Knox County, Ohio or where the defendant is located (in Stewardship Technologies case, Mount Vernon, Ohio, and in your case, your home address or principal place of business). You and Stewardship Technology agree to submit to the personal jurisdiction of the courts located within the county of Knox, Ohio.

14.3 Alternative Dispute Resolution. Stewardship Technology will consider use of other alternative forms of dispute resolution, such as binding arbitration to be held in Knox County, Ohio or another location mutually agreed upon by the parties.

14.4 Violations of Section 14. All Claims (excluding requests for injunctive or equitable relief) between the parties must be resolved using the dispute resolution mechanism that is selected in accordance with this Section by the party first to assert a Claim, either through a court filing or commencement of arbitration. Should either party file an action contrary to this Section 14, the other party may recover attorneys' fees and costs up to \$1,000.00 USD, provided that the party seeking the award has notified the other party in writing of the improperly filed Claim, and the other party has failed to withdraw the Claim.

15. General. This Agreement is governed by and interpreted under the laws of the state of Ohio, U.S. as such laws are applied to agreements entered into and to be performed entirely within Ohio by Ohio residents. Notwithstanding the foregoing sentence, the Federal Arbitration Act ("FAA"), and all of its rules and procedures, shall govern Section 16 hereof, to the extent that the FAA is inconsistent with Ohio law.
